Words from a Stepping Stone Client

"I cannot express how grateful I am for the support from Stepping Stone. As a single mom, providing for my newborn and toddler has been overwhelming at times, but the baby items we received—diapers, clothing, and a car seat—have made such a difference. Knowing my children have what they need to be safe and comfortable brings me so much relief. Thank you for everything you do!"

Words from a Stepping Stone Partner

I wanted to share how grateful my participant and her family was for all your support and generosity. This is an incredible organization that helps relieve so much financial stress and anxiety and really allows families to rejoice in their pregnancies and growing families. I am very very appreciative for all you do!
